

UNITED STATES DISTRICT COURT  
FOR THE MIDDLE DISTRICT OF TENNESSEE  
NASHVILLE DIVISION

UNITED STATES OF AMERICA  
v.  
JEREMY SETH TUMMINS

Docket: 3:10-CR-00009

Judge Trauger

**MOTION TO AMEND ORDER**

COMES now Jeremy Seth Tummins, by and through undersigned counsel, Jennifer Lynn Thompson, and respectfully moves this Honorable Court to amend the Order dated June 7, 2011 (Document Entry 58). For cause, Mr. Tummins would show as follows:

1. In accordance with the order from the magistrate court, the Government provided a mirror image of Mr. Tummins' two hard drives that were the subject of the criminal charges. The hard drives were exact duplicates with one exception. The United States Secret Services redacted all the suspected child pornography images from the original two disks.
2. As per the Order, the disks have remained in the physical custody of the defense forensic computer expert.

3. The Order, dated June 7, 2011 (Document Entry 58), instructed the Defendant to return the redacted copies of the computer disks to the government upon completion of the case.
4. These disks do not contain any suspected child pornography.
5. These disks do contain special family pictures and personal documents of Mr. and Mrs. Tummins.
6. Mr. and Mrs. Tummins do not have any other copies of many of these files, as the Government has never provided duplicate files as promised.

Mr. Tummins now moves this Honorable Court to amend the order requiring him to return the redacted disks to the government and instead allowing him to take possession of the redacted copies of hard drives from the Defense Computer Forensic Expert.

Respectfully submitted,  
/s/ Jennifer Lynn Thompson
